Nature-inspired Seasonal Magic practices to honor the wonder of the cycles of Nature, the Moon and your own unique magic.

With practices that build friendliness in community and in solitude.

Seasonal Magic includes journal prompts, meditations and other practices that honor the Full Moon, the Equinoxes and Solstices, and other events informed by seasonal changes.

You also gain access to our Virtual Moon Magic Monthly Coaching group and our Light and Shadows Learning Lab, as well as discounts on individual coaching and mental fitness packages, live Oracle Journal-Writing sessions and more!

Through this practice, we invite awe, play, creativity, connection, power, service, humility, rest and magic into our daily lives.
